

Meeting Agenda

Date: 2013-05-06

Facilitator: Jonatan Magnusson

Participants: Linus Hagvall, Martin Calleberg, Jonatan Magnusson

1. **Objectives (5 min)**
 - a. Decide what to do this week.
2. **Reports (15 min)**
 - a. We only made small changes in the RAD and the SDD.
 - b. The pathfinder might need more work depending on how we finalize the movement implementation.
 - c. Vidar has created a main menu which starts the game.
 - d. The CollisionBoxes have been fixed and now supports more shapes.
 - e. The supply spawns are not fully implemented yet.
3. **Discussion items (35 min)**
 - a. How much work should we do this week?
 - b. What should we do this week?
4. **Outcomes and assignments (5 min)**
 - a. We will mainly work on writing documents this week. (RAD, SDD and mainly the report)
 - b. We should all work with the writing.
5. **Wrap up**
 - a. Next meeting will be wednesday (2013-05-08).
