

Meeting Agenda

Date: 2013-04-08

Facilitator: Jonatan Magnusson

Participants: Linus Hagvall, Martin Calleberg, Jonatan Magnusson

1. **Objectives (5 min)**
 - a. Plan what to do this week.
2. **Reports (15 min)**
 - a. We had all made a simple version of the game, as planned.
3. **Discussion items (35 min)**
 - a. What should we do this week?
 - b. When do we do the analysis model?
4. **Outcomes and assignments (5 min)**
 - a. We should start with the analysis model today and finish a preliminary version of it today.
 - b. We will look at the analysis model again, write the sequence diagrams for two use cases and finish the preliminary RAD on Wednesday.
 - c. Martin should book rooms for next week.
5. **Wrap up**
 - a. We will meet again Wednesday.
